Mrs. Betty Heilman Feted on Retirement

Rounding out 25 years of teaching, the last 12 of which she has spent on the faculty of the Newton school in Torrance, Mrs. Betty Heilman retired on March 1.

After graduation from Hollywood High School, the local teacher spent a year in New York as a personnel assistant and model for Lord and Taylor.

She returned to California to enter USC where during her junior year she served as president of Associated Women Students and was elected vice president of the student body in her senior year.

Following graduation, she married Les Heilman, a USC track star. She began her teaching career at Malaga Cove, resigning to rear a family. During this time she served as president of the Sandpipers, president of the Mira Costa High PTA, and with her husband established the first Girl Scout Camp for girls of the South Bay area. Mrs. Heilman received the highest service award for work done at Crater Camp in the Malibu Mountains.

Returning to teaching in 1957, she taught kindergarten at Grandview in Manhattan Beach, going from there to Walteria and 12 years ago joined the Newton faculty.

The popular teacher was guest of honor at a luncheon aboard the SS Princess Louise recently given by the Newton PTA board. Fifty mothers attended the affair.

The Queen and four princesses will take part Opening Day, when the Queen will throw out the first ball, officially opening the 1967 Little League baseball season. Each girl in the court will receive a trophy.

Pre-teen girls, 8-12, who are sisters or daughters of members of the league are eligible. Contestants should wear Bermuda shorts or capris and tailored short sleeve blouses. Registration for the contest will be at the door.
